

Jerome Campus Renovation Project Public Meeting
August 28, 2007
4-5 pm
P326

Greg Hamann welcomed all and introduced Skip Stanaway and Emily Dawson with SRG.

Skip reviewed the vision and design principles developed for the previous projects and explained that, upon reflection, they are still relevant to the current project.

Skip also reported on the preliminary findings of the various engineers who have been visiting the campus during the last month. While the buildings can be used, Patriot Hall causes concerns, and there will be challenges associated with re-use of that facility.

Greg explained that on September 21, the architects will be meeting with faculty, staff and students to discuss re-use of the facilities.

The next public meeting will be held September 25, from 4 to 5 p.m., in Patriot Hall, Room 326.

An e-mail address, jcrp@clatsopcc.edu, is available for comments and questions regarding the project.
